**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

Please note the attached Interview Summary from our discussion of 2/23/2005. The PTO-scanned papers of the applicant's response filed 7/13/2001 in the IFW record was incomplete, although the response is noted in the PALM system including the payment of appropriate fees. Mr. D'Ascenzo faxed a copy of the response sent to the USPTO. The complete response will be added to the USPTO file. The applicant's immediate response is appreciated by the examiner.
